Celebrate 20 Years of
CLICK, CLACK, MOO

Introduce new readers to the barnyard animals all year long
with these Click, Clack, Storytime activities!
It’s been 20 years since Farmer Brown’s cows first click-clacked the farm into a frenzy and the barnyard animals have made enough happy mischief for hours of fun!

Whether your storytime is at home or online, this kit has you covered with activities for each of the books in the Click, Clack series, perfect for one big barnyard bash or daily storytime.

CELEBRATE 20 YEARS OF CLICK, CLACK, MOO

- Transform your storytime space into a farm! Painting a barn, bales of hay, and barnyard buddies on posterboard or recycled cardboard is a perfect arts and crafts activity for all the young readers in your house.

- Kick off your storytime with a read-aloud of CLICK, CLACK, MOO, then keep young readers giggling with a game of Click, Clack, Charades.

- Finish out the fun on the farm with your favorite activities from this kit.

HIT THE CAMPAIGN TRAIL WITH DUCK

Duck wants YOU and your family to become part of the barnyard and help pick who should run the farm with a DUCK FOR PRESIDENT storytime that doesn’t have to end with the last page of the book!

- Deck out your storytime space with red, white, and blue balloons and streamers (or whatever other decorations you have or can make at home).

- Start your storytime rally with a read-aloud of DUCK FOR PRESIDENT. For a rousing campaign, get the whole family in on the fun, and any friends who can join you virtually!

- Have everyone pick a barnyard animal to campaign for. Over the next week, have them get creative on the campaign trail by making posters and whatever else they think might convince people to vote for their barnyard candidate!

- Get everyone back together for an election! Take turns telling everyone what makes your barnyard candidate great. Then, put it to a vote (it’s most fun if no one votes for themselves)!
Finish the drawing of the cows that type!
